## Methodist Hill Items

We are glad to say the Lord is giving us many precious souls in our revival which began Nov. 9th. The first week we were rained out several times, but we pressed on. The fight was hard for quite awhile, but after much prayer, and heart to heart preaching, the fire fell, the devil was defeated, and the name of our Christ honored. We have had 25 sweetly converted and found salvation from sin in the blood of Jesus. The church has been wonderfully revived, the good work is still going on, conviction is still great, some at altar yet. We still have faith in God for more of his wonderful power. We are glad to know that father's and mother's are seeking God and taking up his cross and following him daily as most of our converts have been mothers and fathers. We thank the good members of other churches who have been so faithful with their presence, and active work. All have been blessed and enjoy working together for the good of souls. We extend our thanks to the faithful choir who have rendered us such excellent melody, and God will reward them. We desire the prayers of all Christian people that the good work will go on and on until many more souls will be saved. This meeting has been conducted by our beloved pastor, Brother Burton. This is his first year on this charge and we hope to keep him with us for many years. Bro. Burton is not only a good man, but also a good preacher, for he is preaching a clean gospel. We trust and pray that this good work will continue until every sinner in Earlington will give his heart to God.

## TAKE "CASCARETS" IF HEADACHY, BILIOUS, AND CONSTIPATED

Best for liver and bowels, bad breath, bad colds, sour stomach.

Get a 10-cent box. Sick headache, biliousness, coated tongue, head and nose clogged up with a cold—always trace this to torpid liver; delayed, fermenting food in the bowels or sour, gassy stomach.

Poisonous matter clogged in the intestines, instead of being cast out of the system is re-absorbed into the blood. When this poison reaches the delicate brain tissue it causes congestion and that dull, throbbing, sickening headache.

Cascarets immediately cleanse the stomach, remove the sour, undigested food and foul gases, take the excess bile from the liver and carry out all the constipated waste matter and poisons in the bowels.

A Cascaret tonight will surely straighten you out by morning. They work while you sleep—a 10-cent box from your druggist means your head clear, stomach sweet and your liver and bowels regular for months.

## PROMINENT MAN PRAISES TANLAC

State Superintendent of Printing Voluntarily Pays Tribute to New Remedy

Frankfort, Ky., Dec. 1.—A high State official is one of those who have come forward voluntarily to add his voice to the chorus of praise for Tanlac, the peerless preparation. This is Moses E. Glenn, State Superintendent of Printing, whose office is in Frankfort.

"I think I had tried every remedy there is before I learned about Tanlac," he said recently. "I had a catarrhal affection, and could sleep very little because I swallowed the secretions from my throat. Of a morning I awoke from a troubled slumber with a choking sensation, and would cough and spit nearly all day."

"As soon as I began taking Tanlac I experienced an improvement. I had little faith at first that any medicine would help me, and so I am the more ready and even eager to say a word about this preparation. As a rule I am conservative unwilling to give my endorsement to anybody or anything, but this is an exceptional case. The itching in my ears is gone, I sleep soundly, and the accumulation in my nose and throat has disappeared. I want others to know how much good Tanlac has done me."

Tanlac is now being introduced in Earlington and St. Charles by Geo. King & Sons, in Mortons Gap by Ben T. Robinson and in Nortonville at the City Drug Store.

## 25 CENTS DESTROYS YOUR DANDRUFF AND STOPS FALLING HAIR

Save your hair! Make it thick, wavy and beautiful—try this!

Thin, brittle, colorless and scraggy hair is mute evidence of a neglected scalp; of dandruff—that awful scurf.

There is nothing so destructive to the hair as dandruff. It robs the hair of its lustre, its strength and its very life; eventually producing a feverishness and itching of the scalp, which if not remedied causes the hair roots to shrink, loosen and die—then the hair falls out fast. A little Danderine tonight—now—any time—will surely save your hair.

Get a 25-cent bottle of Knowledge's Danderine from any drug store or toilet counter, and after the first application your hair will take on that life, lustre and luxuriance which is so beautiful. It will become wavy and fluffy and have the appearance of abundance, an incomparable gloss and softness, but what will please you most will be after just a few week's use, when you will actually see a lot of fine, downy hair—new hair—growing all over the scalp.

was successful in raising about \$80  
each Sunday in last month.

Mr. King is planning to show

## "P. A." spells tobacco all over the world

Men of all tastes take to Prince  
Albert pipe and cigarette tobacco  
like it just about answers all ques-  
tions! And it does! Quicker you  
get on speaking terms with this  
national joy smoke the sooner you'll  
get a whole lot off your mind. Be-  
cause, it just hands you more fun  
than you ever got out of a pipe or  
makin's cigarette before. The pat-  
ented process fixes that—and re-  
moves the bite and parch.

PRINCE  
ALBERT  
the national joy smoke

is the one brand of tobacco you can  
take liberties with, firing away 24-hours

straight without a tongue-kick! You get the  
listen of that.

Cut out lamenting for that old jimmy pipe stored  
away in the rafters; stop fretting about how you'd  
like to roll 'em, but you dassn't. Men, you can lay your  
last cent that you'll be top-notch-tickled if you catch the spirit  
of this testimony and get some P. A. and go to it! Never did  
anything but make smokers jimmy pipe joy'us and cigarette  
makin's happy—and that's just what's coming to you!

Can you sit-tight and get that P. A. aroma from somebody else's  
friendly old pipe or rolled cigarette? Can you pass up pleasure that's  
due you, and coming to you quick as you jump that fence into the  
Prince Albert pasture? Come on out and be a regular fellow who's  
game to take a chance for what ails his smokeappetite division!

**A Soluble Antiseptic Powder to be dissolved in water as needed For Douches**

In the local treatment of woman's ills, such as leucorrhoea and inflammation, hot douches of Paxtine are very efficacious. No woman who has ever used medicated douches will fail to appreciate the clean and healthy condition Paxtine produces and the prompt relief from soreness and discomfort which follows its use. This is because Paxtine possesses superior cleansing, disinfecting and healing properties.

For ten years the Lydia E. Pinkham Medicine Co. has recommended Paxtine in their private correspondence with women, which proves its superiority. Women who have been relieved say it is "worth its weight in gold." At druggists 50c. large box or by mail. Sample free. The Paxton Toilet Co., Boston, Mass.
